Academic Session 2026-27

Mr. Akhilesh Garg

Principal, Gyaana International School

Welcome to the Future of Education

"Dear Parents, Education today is not just about textbooks; it is about 'Life Readiness.'"

Welcome to Gyaana International School. Education today is no longer just about textbooks and examinations; it is about preparing children for a world that is constantly changing. At Gyaana, our vision is to build a vibrant learning community where students are empowered to become confident, compassionate, and future-ready global citizens. We understand the aspirations and challenges of modern parents. You want an environment where your child achieves academic excellence without the burden of overwhelming stress, and where their physical and emotional well-being is given equal importance. This is the very foundation of our educational philosophy. A Future-Ready Curriculum As a proud CBSE-affiliated institution, we are committed to providing a rigorous, world-class academic foundation. However, we go a step further. We believe in equipping our students with 21st-century skills. From early exposure in our high-tech labs for AI and Coding to advanced cognitive training through Abacus, and practical life skills like Financial Literacy, we are ensuring our students are prepared for the careers of tomorrow. Holistic Development & The Day Boarding Advantage True education happens both inside and outside the classroom. Our meticulously designed Extended Day Boarding program takes complete responsibility for your child's academic and physical growth. By integrating dedicated homework support, core subject reinforcement, and professional sports training into the daily schedule, we eliminate the need for outside tuition. Our expansive, highly ventilated campuses are designed to foster creativity and health. With premium facilities for Skating, Martial Arts, and dedicated outdoor sports, we ensure our students build physical agility, mental discipline, and essential self-defense skills. When our students return home, their time is entirely yours for quality family bonding. Partnering with You A successful educational journey is a partnership between the school and the parents. We deeply value the overwhelming trust our parent community has placed in us, driving our rapid growth and campus expansions. Together, we are not just teaching; we are building a bigger, brighter future for a new generation of leaders.

I invite you to explore our prospectus, visit our campus, and discover the Gyaana difference. We look forward to welcoming your family into ours.

The Gyaana Advantage

WHY US? THE 6 PILLARS OF EXCELLENCE.

Complete Schooling (Nursery - XII)

No need to switch schools. A seamless journey from play-based learning to Board Exam success.

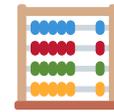

Integrated Competitive Prep

We bring 'Kota-level' coaching inside the classroom. Foundation courses for JEE, NEET, and Olympiads.

Tech-Driven Learning

State-of-the-art Robotics & Coding Labs where students move from being 'users' to 'creators'.

Skill Mastery

Mandatory Abacus & Vedic Maths program to eliminate fear of numbers and boost speed.

Holistic Growth

Balanced focus on Sports, Performing Arts, and Public Speaking to create confident leaders.

Safety First

GPS-tracked transport, CCTV surveillance, and a zero-tolerance policy on discipline.

The Gyaana Day Boarding Advantage

At Gyaana International School, education goes beyond textbooks. Our Day Boarding Program ensures that every child receives academic support, physical training, and life skills development within the school itself.

No Outside Tuition Required

Our experienced teachers provide daily homework assistance and doubt-solving sessions during extended academic hours. Students complete their assignments in school, eliminating the need for external coaching.

Premium Sports & Self-Defense

Physical development is an integral part of our curriculum. Facilities include:
Professional Skating Training
Structured Martial Arts / Self-Defense Classes
Daily Physical Education Programs
These activities build discipline, confidence, and focus.

Stress-Free Parenting

Parents no longer need to worry about unfinished homework or late-night study pressure. Evenings become time for:
Family bonding
Relaxation
Healthy conversations.

Structured for Success

ACADEMIC ROADMAP

NURSERY – GRADE 5

1. The Foundation Years

Focus: Curiosity & Confidence

- ✓ Activity-based learning
- ✓ Phonics for English fluency
- ✓ Abacus for mental math
- ✓ No heavy bags, just heavy learning

1

2

GRADE 6 – 8

2. The Preparatory Years

Focus: Skill & Logic

- ✓ Introduction to Coding & Robotics
- ✓ Early exposure to Olympiads
- ✓ Building strong base for NTSE/STSE

GRADE 9 – 12

3. The Career Years

Focus: Boards & Entrance Exams

- ✓ Science (PCM/PCB) & Commerce
- ✓ Integrated Classroom Model
- ✓ Regular OMR-based testing
- ✓ Advanced Practical Labs

3

Future-Ready:

Robotics, AI & Coding

The jobs of tomorrow don't exist yet. We prepare your child to invent them.

Robotics Lab

A dedicated STEM space for mechanical engineering, circuit design, and sensor building.

Artificial Intelligence

Exposure to AI concepts ensuring our students lead the digital revolution.

Leaders are Born on the Playground

"A healthy body houses a sharp mind"

Sports Academy

Professional coaching for Cricket, Football, Basketball, and Athletics.

Personality Development

Regular sessions on Spoken English, Etiquette, and Leadership skills.

World-Class Infrastructure

Smart Classrooms

Interactive Digital Boards in every class for immersive visual learning.

The Knowledge Hub

Well-stocked library with 5000+ books and rich digital resources.

Safe Transport

GPS Tracking, Speed Governors, and female attendants in every bus.

Science Labs

Separate, fully equipped labs for Physics, Chemistry, and Biology.

Join the Gyaana Family

ADMISSIONS OPEN 2026-27

Simple 4-Step Process

- 1 Visit Campus**
Experience our facilities and meet counselors.
- 2 Registration**
Fill out form (Online/Offline).
- 3 Assessment**
A basic interaction/test to understand the child's level.
- 4 Enrollment**
Submit documents and secure the seat.
